Last Chance To Enter Wines for the March TiZwine Tasting

This is the last week that wines can be entered for the current TiZwine Tasting. As previously described, the tasting will be based around Bordeaux Style, Merlot, Syrah and any other red wines that you care to enter. As always, we will also be tasting the usual selection of New Releases. However, please feel free to send in any other wines that you wish us to assess. The variety of wines that we receive is one of the joys of these tastings.

The Wine Submission Form must be sent by this Friday 28th March so please send it as soon as possible to avoid any disappointment. The wines themselves can arrive up to Wednesday 2nd April.

ALL wines tasted will be published on the site together with a star rating, bottle shot and a POSITIVE tasting note, as well as being eligible for a "Top Tip", "Best Buy" or "Consumers Choice" Award. For an example click [here](#). Moreover, the wines will automatically get a listing in "Bravo!" our e magazine that highlights the tastings' results and which now has 6,000 subscribers. The cost of the tastings is \$85 per wine, unless you can supply us with a good quality, clear-cut image of the wine in which case the cost is \$40 per wine. All you have to do is fill in the attached form and send two bottles of each wine to the address printed at the end of the form. (Don't worry if you can't answer all the questions on the form – just fill in what you know)

Alternatively, if you do not wish to send wines for us to taste, but would like your wines profiled on the TiZwine.com website then contact us and we will tell you how to do this. This is a FREE SERVICE so do not waste this opportunity to promote your wines. Obviously, the wines will not receive a star rating or a tasting note from TiZwine but consumers will be able to view your full tasting notes and can access your website and, hopefully, order from there.
